# 2011 Mission Trip Mescalero, NM July 22-July 31

- \$442**     **Group Workcamp Fee** covers most food, lodging, most work supplies, music, devotional materials, shirt, and project planning.
- \$200**     **Transportation** of people and tools.
- \$120**     **Misc. Expenses** includes meals traveling to and from TN, a free night activity, and snacks.

*Trip Cost Estimate*                      **\$762/person**

**Who?** Students currently in 8th-12th grades.

**Who will go from OSL?** YFM, Kristin Hildebrand, students, and at least one adult chaperone per five students registering.

**How & when?** By van or suv (whatever vehicles the chaperones may have, or we choose to rent) Leaving July 22 at 7pm and arriving home on July 31st by 11pm.

**How much of the cost should families plan to pay?** Families will be required to put down a non-refundable \$50 deposit upon registration. Beyond this amount, families will need to plan for another \$200, in \$100 payments due on the first of December and March. The remaining amount can be earned through fund raising in and outside of OSL, beginning upon registration.

**What if I don't want to fundraise the entire remaining amount?**

Families are welcome to pay more than \$250 toward the trip if desired, and can make any additional payments on or before March 1st. If the family pays more there will be less fundraising to do. There will be 2 required fundraisers for the group that all families participate in. Other fundraisers are optional and can be fit in to the family schedule based on the amount of money you wish to earn.

**What if my family cannot come up with the entire \$250 amount?**

There are limited funds available to assist families with financial need, available through the endowment fund. Families with this concern should see Kristin. A formal request for funds will be made for these families in November.

**What if gas prices go up?** There is some cushion built in to cover a moderate increase in fuel. Families will be kept informed about changes in the cost of the trip.

**Are there any other costs?** Students may be asked to supply a few tools. Most of these need not be brand new, but can be taken from home. Fees do not cover souvenirs.
